Response to Office Action dated 1/22/08

Brief Summary of Selected Substantive Portions of this Response

[0001] In a telephone discussion on June 26, 2008, Examiner King indicated that a proposed amendment to the claims indicating that the first and second channel members have a "C"-shaped cross section would overcome the rejections of record.

[0002] This brief summary is not intended to represent the Applicant's full response to the Action. Rather, it is merely a brief summary of selected substantive portions of the response herein.
